

Pinky Chaudhary

Web Developer

chaudhary.pinky1997@gmail.com

9639461581

Noida

I am a highly passionate Web Developer driven by a constant desire to take on new challenges and grow professionally. My early years in the industry have fueled my curiosity and pushed me to explore and master various aspects of web development. I am now looking forward to joining a team of experienced professionals where I can contribute effectively, learn from others, and continue evolving in both technical and business-oriented roles.

Experience

Senior Web Developer at Adtrix Solutions Pvt. Ltd.

July 2023 - Till Now

- Developed and maintained WordPress and Shopify websites using Elementor, Colibri, WP Bakery, and Shopify's native builder.
- Built responsive, eCommerce-ready websites, ensuring optimal user experience across devices.
- Developed dynamic and content-driven websites using the ACF (Advanced Custom Fields) plugin, enabling custom layouts and flexible content management.
- Customized website functionality and styling using HTML, CSS, and basic PHP for enhanced performance and flexibility.
- Managed hosting environments on GoDaddy and Hostinger.
- Server setup, domain configuration, and subserver management.
- Regular backups, performance monitoring, and error troubleshooting.
- Handled domain management, SSL installations, and deployment processes to ensure smooth site launches and uptime.

Web Developer at Kpl Tech Solutions Pvt. Ltd.

Feb 2022 - Jun 2023

- Developed and maintained WordPress and Shopify websites using Elementor, Colibri, WP Bakery, and Shopify's native builder.
- Built responsive, eCommerce-ready websites, ensuring optimal user experience across devices.
- Customized website functionality and styling using HTML, CSS, and basic PHP for enhanced performance and flexibility.
